

# COSTUME DESIGN & MAKING

**THEME OR INSPIRATION**  
Firstly a designer will choose a theme for the carnival costumes.

**DESIGNING A COSTUME**  
A designer creates sketches and decides which colours and materials should be used

## MATERIALS

Carnival materials are often bright colours and sparkly. You can use feathers, beads and fabrics to create beautiful costumes. Costumes can be made from lots of interesting recycled materials.

## MAS CAMPS

The costumes are made in a mas camp. People work in large teams glueing and sewing to ensure all of the costumes are ready for carnival.

**KINGS AND QUEENS**  
The large costumes that lead the parade are called Kings and Queens of Carnival

LET'S GET CREATIVE!
